

WORLD LEADERS IN SAMPLE PREPARATION EQUIPMENT

ROCKLABS[About Us...](#)[Product Guide...](#)[Reference Materials](#)[Newsletter...](#)[Agents Guide...](#)[Contact Us...](#)**ROCKLABS July 2003...**

Mid year Greetings from ROCKLABS, World Leaders in the manufacture of Sample Preparation Equipment and Gold Assay Reference Material.

- **4th Automated Sample Preparation System for Barrick Goldstrike Mine in Nevada,USA.**

As reported in the December Newsletter, ROCKLABS was awarded a fourth contract for the Barrick Goldstrike Mine. At the time of writing this Newsletter, personnel from Barrick Goldstrike are in Auckland for training and testing of the Automated System. The System includes loading and weighing samples into test tubes and tubs (pottle) for analysis.

- **Summary of ROCKLABS products**

Included in the hardcopy of this newsletter is a two page summary of the products manufactured by ROCKLABS.

- **ROCKLABS Range of Heads**

The full range of Heads including Agate, Carbon Steel, Chrome Steel, Tungsten Carbide and Zirconia are now available and can be found under "Product Guide".

- **Representation in Belgium, France, Holland and Luxumberg.**

ROCKLABS is now represented in the above countries by Socachim Pty Ltd. Socachim Pty Ltd are a well established company with knowledgeable and efficient personnel. We welcome them as our Representatives and are confident they will give customers excellent service. The contact email address for Socachim is socachim@socachim.com.

- **ROCKLABS Reference Material**

We have also increased our range of Reference Material.

Thank you for your support and continued interest in our products.

Beulah Johnson
Export Sales Manager
